

FIELD TRIP PERMISSION
Monument School
Grant County School District #8
Monument, Oregon 97864

Dear Parent:

As an extension of class room instruction, the children may make planned trips to different places of educational value during the year. These trips are planned so that the children may learn under the direct supervision of the teachers and other adults who may make the trip.

You will be notified during the planning stages of each field trip.

At this time, however, we are asking parents to sign the Field Trip Permit which will allow the students to make these trips at anytime during the school year.

Only children with properly signed permits will be allowed to make the trips.

Also, we are asking you to authorize us to seek medical aid should it become necessary, and to guarantee payment of costs.

2020-21 FIELD TRIP PERMIT

My approval is hereby given for (Name)_____Grade_____ to go on the planned educational trips during the present school year.

I authorize you to secure the services of a physician and/or hospital in the event it becomes necessary for my child, and I guarantee payment of the costs.

I also understand that notes will be sent home with my child telling about each trip and that I have the right at that time to request my child not to make the trip, should I so desire.
